

RIVERSIDE COUNTY  
FIRE DEPARTMENT  
IN COOPERATION WITH **CAL  
FIRE**  
2018 ANNUAL REPORT

Thank you for taking the time to review  
our 2018 response statistics report.  
In this document, you will view the  
growth of our county by response to  
medical emergencies, structural and  
wildland fires, hazardous materials  
incidents and other calls.

Riverside County Fire Department, in  
cooperation with CAL FIRE, is a regional  
cooperative fire protection system that is  
successful largely due to the outstanding  
relationships we proudly garner with our  
partnering cities, Board of Supervisors  
and County Executive Office.

As you review the strong work of our first  
responders, I hope that you will  
remember where we started so many  
years ago and our limitless future  
potential as an all-risk public safety  
provider to the residents and visitors of  
Riverside County.
