## FIREFIGHTERS PARTICIPATE IN LIVE FIRE TRAINING EXERCISE

CAL FIRE/Riverside County Firefighters will conduct a live fire training exercise Tuesday through Friday, November 14-17, 2017 in Home Gardens; an unincorporated area of Riverside County. Training hours will be from 9:00 a.m. – 4:00 p.m. each training day.

The training exercise will involve burning a vacant, two-story home donated by All American Asphalt. Firefighters will train on manipulating hoselines, simulate a building search and broaden their knowledge on the newest firefighting techniques and trends.

Training scenarios will be conducted each day of the training exercise. Residents in the exercise area (13597 Indiana Avenue, Home Gardens, CA), including the Home Gardens Elementary School may experience brief periods of smoke during the training scenarios.

Please address questions through the CAL FIRE/Riverside County Fire Department Public Affairs Bureau at 951-940-6985.
