Grant Project	Status Update
<u>PENDING GRANT APPLICATIONS</u>	<u>STATUS</u>
1) Metropolitan Medical Response System Bio-terrorism Preparedness Grant	1) Funds from this grant will go toward equipment for County Fire HazMat.
2) 2005/2006 Community Development Block Grant (CDBG)	2) Received written notification that grant applications for stations that need air bags and/or air chisels, and a generator for Poppet Flats submitted to the 1 st , 3 rd , 4 th and 5 th Districts were deemed eligible. The grant application submitted to the 2 nd District was deemed ineligible. RCOFD has been invited to attend a Public Hearing on March 22, 2005 to give a brief presentation on behalf of the grant applications. This will help the Board of Supervisors determine funding priorities.
3) 2004/2005 VFA Supplemental	3) Received verbal notification that our request will be approved for a Vega Viper Interoperability C-Soft consoles and SCBA gear for the following twelve (12) rural fire stations: Cottonwood #52, Poppet Flats #63, Pine Cove #23, Anza #29, Sage #28, Pinyon #30, Gardner Valley #53, Lake Riverside #77, El Cariso #51, Rancho Carrillo #62, Rancho Capistrano #74, and Lakeland Village #11.
4) Continuing Challenge Grant	4) Executive Team has approved. Will apply for grant for HazMat team to attend the Annual Continuing Challenge HazMat Workshop in Sacramento in September 2005.
5) 2005 Pre-Disaster Mitigation Competitive Grant	5) The PDM grant application to seismic retrofit Stations #16, 22, 40, and 42 has been submitted to State OES.
6) Indian Gaming Local Community Benefit Committee (CBC)	6) Applications have been submitted to the Indian Tribes. Have met with Cabazon regarding their application and in the process of meeting with Morongo. <i>Requested the following:</i> <ul style="list-style-type: none"> ✓ <i>Convert nine (9) existing staffing and engines in casino areas (Stations #20, 24, 25, 26, 35, 36, 72, 81, and 89) to emergency medical/paramedic units that provide basic and advanced life support (paramedic) and transport, automatic external defibrillators, and specialized heavy and helicopter rescue.</i>

Update
Week of 3/21/05

<p>7) California Office of Traffic Safety Grant</p>	<p>✓ Staff and equip heavy rescue engines for stations 24, 25, and 35 ✓ Secure partial funding and staff for new Station #77</p> <p>7) Grant application has been submitted to OTS. Requested twenty-three air chisels for Stations #1, 2, 3, 4, 6, 7, 8, 12A, 15, 16, 23, 26, 27, 30, 32, 36. 57, 58, 60, 68, 76, 86, and thirteen (13) 50-ton (3 bag) air bag rescue systems for Stations #2, 7, 9, 10, 26, 37, 53, 58, 60, 61, 64, 68, 76, 84, and 87, thirty (30) high-pressure cylinders, one thermal imaging camera and supplies for Station #17, two (2) sets of rope rescue equipment for Stations 51 and 64, and a chain saw for Station #51.</p>
<p><u>OTHER GRANT FUNDING SOURCES AND REQUESTS</u></p> <p>1) SAFER Grant</p> <p>2) Helicopter Hoist and Backup Cable</p> <p>3) Gas Detection Equipment</p> <p>4) Riverside County Community Health Agency - Bio-Terrorism Preparedness Branch</p> <p>5) Enhanced 911 Grants for Wireless Emergency Systems</p>	<p><u>STATUS</u></p> <p>1) The Department of Homeland Security announced availability of four-year SAFER Grant funding (Staffing for Adequate Fire and Emergency Response) to hire personnel and incentives for recruiting and retaining volunteers. This is the first year of funding for this competitive grant that provides up to a maximum of \$100,000 per fire fighter with an increasing grant match requirement from 10, 20, 50, 70% over the four-year period to phase down local government dependence on the federal government. The web-based application will be available from May 31 through June 28, 2005.</p> <p>2) The first identified funding source is not available. However, the hoist was also included in the Indian Gaming grant as a backup-funding source.</p> <p>3) In the process of researching grant funding availability for Blythe Battalion. They requested funding for a “four gas monitor.”</p> <p>4) Exploring the possibility of securing grant funding from this source to help find and fund specific training to meet HazMat’s Federal and State certification requirements.</p> <p>5) Grant is provided through the Public Safety Foundation of America. Deadline will be sometime in April 2005 with approximately \$1.95 million in funding availability. The focus of</p>
