

CERT is a positive and realistic approach to emergency and disaster situations where citizens will be initially on their own and their actions can make a difference.

CERT training is a commitment of 20 hours (must attend all 20 hrs). Only those who successfully complete the practical exercise with hands-on instruction in fire suppression, light search and rescue, cribbing and medical will receive a certificate of completion.

There is no cost for the training.

For more information or to Register, please call the Riverside County Fire Department Office of Emergency Services at (951) 955-4700
