TRAINING ANNOUNCEMENT

Terrorist Activity And Subversive Behavior Awareness

COURSE DATES: August 26 - 27 * 0700 - 1600 (EACH DAY)

COURSE DESCRIPTION: This is an intensive 2 day, 16 hour, training course designed to assist (**LE**) Law Enforcement, (**EMS**) Emergency Medical Services and (**FS**) Fire Services personnel in recognizing potential terrorist/ sympathizer activities during routine conduct of their duties. Day 1 is classroom instruction. Day 2 is dedicated to field exercises designed to allow students the opportunity to employ and reinforce the following skill sets learned on Day 1.

DAY 1: Consists of 8 hours of intense classroom instruction and discussion. Topics will include in depth training in the following areas.

- **Motivational analysis of becoming a terrorist**
- **Terrorist cell structure and methodologies**
- **Terrorist/ Criminal capabilities**
- **Recognition of covert communications**
- **Recognition of targeting activities**
- **Recognition of Explosive Devices**

DAY 2: Consists of two scenarios. Every student will be given the opportunity to participate in both. Scenario 1 involves students acting in their normal capacities. They are given the mission to participate in an interview with role players acting as domestic terrorist cell members and conduct a physical investigation of an office facility ostensibly used by the cell. Evidence and clues will vary from the obvious to the very subtle. In scenario 2, student are placed into teams and assigned missions to target and gather intelligence on facilities in the local community. During this scenario, students will act as a terrorist cell and attempt to covertly develop target folders for future exploitation. From these experiences, students will learn firsthand what to look for when it comes to terrorist targeting activities

COURSE LENGTH: 16 hours

TARGET AUDIENCE/DISCIPLINE: This instruction is designed for personnel (Law/Health/Fire) who will be functioning as a TLO within the Joint Regional Intelligence Center's operational area.
