

The **California Rehabilitation Center** Presents the

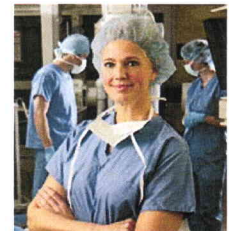

Education Fair for Working Professionals

Wednesday July 29th 2009
11:00 AM to 4:00 PM

The Education Fair will provide educational program opportunities to accommodate the non-traditional schedules of working professionals who wish to achieve career or personal goals. Presenters will cover a spectrum of academic options and fields of study including Criminal Justice, Public Administration, Medical, Dental, Education, Engineering, and Organizational Leadership... Areas from which employees of all departments can benefit!

Opportunities will include: All Degree Programs- Associate through Doctorate; Completion of college units for Education Incentive pay; Professional Licensing and Certificate Programs; and Specialized Degree Programs for active duty Peace Officers. Only fully accredited Colleges and Universities will be represented, including :

Riverside Community College

Chaffey College

Regardless of your work background, age, or educational goals; we will have programs that will fit your lifestyle and work within your busy schedule - such as evening and weekend classes- available on campus, online, or through individualized study.
