

Community Action Partnership of Riverside County Energy Crisis Response

Warm Centers

**Do you want to escape the cold?
A Warm Center is where you can go!**

Community Action Partnership of Riverside County is coordinating Warm Centers to provide drop-in sites for vulnerable individuals, seniors, the disabled, and others in need of temporary relief from the cold. Warm Centers will open to the public, in affected areas, when the Riverside County Department of Public Health issues a “Cold Warning”. Watch or listen for the “Cold Warning” on your television, radio, and local newspaper.

Stay Warm! Protect Your Health When It's Cold

- Drink warm fluids like hot cider or soup
- Avoid alcohol and caffeine
- Keep your home warm. Turn on your heater
- Wear several thin layers of clothing
- Move family pets indoors out of the elements
- Know the location of the nearest Warm Center, should your home heating system fail
- **Never** bring heating devices into the home that are intended for outdoor, including charcoal
- Have your home heating system inspected

You are also at risk if you have certain medical conditions, take medication for high blood pressure, have a mental health condition, have been using drugs or alcohol.

For Warm Center locations, hours and tips on how to protect yourself from the cold please call:
